

## Monday Morning Recap

## SATURDAY RESULTS

A great day at Millner on Saturday in perfect weather to watch rugby. The ground was begging to be played on for our first home game. It was a successful day with three from three in the club championship games. West Harbour proved strong opposition for a good part of all the games but eventually Woods got on top as the scorelines indicate.

In the two friendlies we saw Thirds dominate and Colts 2 go down.
